**ORDER**

**In re Esther G Bennett Revocable Trust**

Docket No. **355196**

LC No. **2017-000126-CZ**

---

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to strike appellants' brief or, alternatively, Exhibit QQ to that brief is DENIED without prejudice to the ability of the case call panel to consider to what extent contents of that exhibit are properly considered in resolving this appeal. However, appellants' request to expand the record to include Exhibit QQ is not appropriately made in their answer to the present motion. Rather, if appellants consider it necessary or advisable to seek such affirmative relief, they should file a motion to expand the record.
